I am Larry Ashley from Edinburgh IN and a State Farm client.

I want to tell you about an incident with a windshield that required repair while I was in Florida on vacation. I worked with my State Farm agent and a glass repair company in Indiana, who coordinated the windshield repair with Sonny Thamer of Auto Glass Warehouse in Englewood.

The repair was made to my satisfaction and in a timely manner. I highly recommend Auto Glass Warehouse for your insured glass repair work.

Sincerely,

Larry Ashleys
